Signs of Peace.

Late dispatches from the East come to us freighted with good tidings of peace. It hardly seems possible that the particulars set forth so fully have been the coinage of the brains of correspondents, whose duty, seems to be, at times, as much to supply sensation items to satisfy a public appetite that has become morbid, as to faithfully chronicle events.

There may be much to modify, and we may be more or less disappointed in receiving the coming dispatches, to find that the news received has given rise to hopes not to be soon realized by fruition; but we have reason to place confidence in the statement made that Blair and Singleton have gone to Richmond, authorized to guarantee that the views of the President incline to lenity; that the seceded States can resume their position in the Union at will; and a nearly general amnesty shall prevail upon submission to the laws. Neither is there any reason to doubt the position assigned to the President upon the slavery issue; for while it is said that the institution must cease; that the cause of the rebellion must be abolished, it is in unison with the conservative tendencies he has ever manifested, and which we have never doubted, that, whenever the Government occupies the honorable position of achieving success, and being recognized by the rebelious States, he would incline to be lenient and cause submission to be accompanied with as little humiliation as possible, that the return of the seceded States may be effected in such manner as to cause them to retain some attachment for a Union which has ever fostered them, and which would be unbearable if no consideration was shown to their pride in its restoration.

It will be claimed by many that treason can ask for no consideration. We can only answer that when victory crowns its efforts a nation can afford to be generous. Those who are to submit are our brothren, and clemency is one of the noblest attributes of nations as well as monarchs. That the executive clemency should extend equally to all can hardly be expected. Those whose counsel has led the Nation into civil strife, can ask no such favor, and they will be fortunate to escape from a land they have so terribly betrayed with life alone. Singleton, of Illinois, represents to the full the pro-slavery sentiment of the North, and was very lately the Democratic candidate for Governor there. Blair represents the conservatism of the Administration, and these two, with their antecedents to back them up, have gone to Richmond, not clothed with authority, but authorized to be the exponents of the private views of the President.

Whether as a result of their presence in Richmond or as an independent action of the rebel Congress, we do not know; but we are told that a deputation of distinguished Southern statesmen, evidently chosen in part for their Union antecedents or known conservative tendencies, are on their way to Washington, appointed as commissioners to negotiate a peace. Leech and Gilmer (spelled Gilmore in the dispatches) are North Carolinians and known opponents of secession. Gilmer was an old Whig politician, and has been a distinguished representative in Congress. Orr, of South Carolina, once Speaker of the House, has been one of the most reasonable of the politicians representing that State, while Boyce (if that name is meant instead of Price) has lately become unpopular in Secessia, on account of the conservative views advocated by him. The Vice President of the Confederacy, A. H. Stephens, of Georgia, is too well known to need a mention from us, and we have ever believed that when peace came, he would be foremost and instrumental in effecting it. Rives, of Virginia, is undoubtedly one of the distinguished family of that name—the same who was, perhaps ten years ago, Governor of that State. Singleton, of Mississippi, has been in the past known as a fire-eater. Smith and White, mentioned in the report, we cannot as definitely locate.

If, indeed, this delegation of eminent men have gone to Washington, we may sincerely hope for something to come of it, as these commissioners at least represent in part, the conservatism that eventually must result in peace.

SOLDIERS' BOUNTY AND BACK PAY.—The last Legislature passed an act giving bounty bonds to the amount of one hundred and fifty dollars to each soldier who should hereafter enlist under any call for troops, in the U. S. service for three years. The bounty bonds are issued for fifty dollars each, payable in coin, with seven per cent. interest, twenty years from date. Thirty-nine coupons are attached to each bond, and the interest is payable semi-annually. About six hundred men have enlisted in the Oregon Infantry since the passage of the law, but no bonds have yet been issued; nor could it be reasonably expected that they could be ready by this time for delivery. Such bonds ought to be so gotten up that it would not be easy to counterfeit them. Hence it was necessary that they should be engraved; and there being no engraver in Oregon the work had to be done in San Francisco. Soon after the adjournment of the Legislature, Secretary May, whose duty it was to prepare the bonds, went to San Francisco and made arrangements to have them engraved as soon as possible. By the last steamer the first lot of bounty bonds arrived. As the signing of each bond with coupons requires the signature of the State Treasurer forty times, making, for the six hundred men now mustered into the service, *twenty-four thousand times*, it is apparent there must necessarily be some more delay before all can be issued. We are informed, however, that the bonds for Company A will be ready for delivery in about ten days. We advise the "boys" to be patient a little longer, they will come by and by, and don't sell them, but hold on to the bonds so as to reap the full benefits intended by the Legislature.

And while upon this point, we call attention of those proposing to buy county bonds, that the language of the law is that the bonds are "not to be delivered to order but in person." Hence the State Treasurer cannot deliver such bonds on powers of attorney, but they must be delivered "in person" and not "to order." The bonds for back pay of cavalry have not been received from the engraver, and it will necessarily be some time before they can be issued. Our remarks as to sale of bonds only apply to county bonds.

[SPECIALLY TO THE OREGONIAN.]

DATES TO JANUARY 13.

Army of the Potomac.

HEADQUARTERS ARMY OF POTOMAC, Jan. 9.—Several deserters from the rebel army came in to-day, besides a large number of contrabands. All were in the most wretched condition. They report that the rebel cavalry have withdrawn to Hickford, on the Weldon Railroad, where they have gone into winter quarters. They were compelled to fall back to that point owing to the lack of forage between there and Ream's Station, and also for lack of transportation owing to the destruction of the railroad in that district by Warren. They, however, have pickets as far as Ream's Station and on the west side of Hatcher's Run, with a division of Hill's corps located on the Boydton plank road. The rebels have been very busy preparing the railroad north of Hickford for relaying the rails. As yet none have been put down.

Emancipation in Missouri.

ST. LOUIS, Jan. 11.—In the Missouri Constitutional Convention, the committee on emancipation reported the following ordinance at noon, which has just passed the Convention by a vote of 60 to 4:

Be it ordained by the people of the State of Missouri in Convention assembled, That hereafter in this State there shall be neither slavery nor involuntary servitude, except in punishment of crime, whereof the party shall have been duly convicted. All persons held to service or labor as slaves are hereby declared free.

The *Herald* thinks the conduct of Missourian passing the emancipation act will soon be imitated by Arkansas, Tennessee, Kentucky and Delaware.

The *World* says the passage of the ordinance was a wise step, resulting from clear sighted perception of the tendency of events. It thinks that if the war were to end to-morrow all the States to resume jurisdiction over the subject, all would follow the example of Maryland and Missouri.

The *Tribune* is briefly exultant and makes no comment.

The *Post* points out the advantages possessed by laborers and manufacturers under the new system.

The *Commercial* thinks the action of Missouri is an argument in favor of the passage of the Constitutional amendment.

Miscellaneous.

NEW YORK, Jan. 12.—The steamer *C. C. Collins*, from Port Royal on the 7th, has arrived. Part of Sherman's army had arrived at Beaufort, S. C., by water.

The Richmond *Enquirer* of the 9th says: No man would be safe in Virginia who dared to exhibit the least willingness to reconstruct the Union upon the most favorable terms. The people of this State have taken Gen. Sherman at his word and mean to fight it out like men. They ought to hang every man, be he Congressman, Legislator, Common Councilman or private citizen who exhibits the first act toward submission or reconstruction, and we believe they will do it.

NEW YORK, Jan. 12.—It is announced that Geo. B. McClellan leaves for a European tour on the first week in February. He has declined the offer of a private vessel tendered by his friends. He leaves on the steamer *China* and will be absent two years.

Gen. Butler in his farewell address to the Army of the James pays a high compliment to the conduct of his troops in the field and in camp, saying they have captured forts which the enemy deemed impregnable and held them against the fiercest assaults. He asserts that their lines of defense were unsurpassed in strength and are objects of universal admiration, and says he has refused to order the useless sacrifice of his soldiers, knowing them to be willing, obedient and devoted to the country's cause. A portion of the address is directed to the colored troops, of whose bravery and fidelity he speaks in the warmest terms.

WASHINGTON, Jan. 11.—The vote on the Constitutional amendment will probably be taken in the House this week. The indications are that it will be close. Its friends are not yet satisfied that the result will be favorable to them.

Admiral Farragut visited the Senate to-day in company with Capt. Drayton, commander of the Admiral's flag ship. The Senate took a recess of ten minutes to afford the Senators an opportunity of an interview with that distinguished officer. The Admiral afterwards visited the House, where many members were introduced to him.

NEW YORK, Jan. 12.—Deserters from the rebel gunboat *Richmond* report that craft lying near, Chapin's Bluff, on James river, with scarcely a complement of men to work her. Desertions among her crew having been so numerous within a month past.

Forrest is represented to be concentrating a large force at Paris, Tenn. A number of his men are hovering around their homes in Tennessee and Kentucky, conscripting, robbing and murdering Union men.

Rumors prevail that a force is being organized to attack Paducah, Ky., again.

The steamer *Orinoko*, from Evansville, Ind., reports Uniontown, Ky., in possession of guerillas who are firing into passing steamers, robbing and murdering people.

Congressional.

CHICAGO, Jan. 12.—Nothing of importance has transpired in Congress during the session as yet. The House had been engaged the greater part of the time, in discussing the amendment to the Constitution abolishing slavery. The debate continues to-day. It is not likely that a vote will be reached this week.

NEW YORK, Jan. 12.—The *Commercial's* special dispatch says: The bankrupt law will be passed next week by the Senate and if it is amended by the House the Senate will adopt the amendment.

WASHINGTON, Jan. 12.—In the Senate, the Chair laid before the Senate a message from the President, giving information as to an agreement between the United States and Great Britain concerning the naval force on the lakes, which was ordered printed.

Trumbull, of Illinois, from the Judiciary Committee, to whom was referred a resolution instructing that committee to inquire if further legislation was necessary to authorize the President to call an extra session of Congress, without giving sixty days notice, reported and asked to be discharged. Trumbull said they could find no law requiring the President to give sixty days notice. No notice whatever was required by law.

Wilson, of Massachusetts, offered the following, which was adopted:

Resolved, That the Committee on the Conduct of the War be directed to inquire into the causes of the failure of the late expedition to Wilmington and report back to the Senate.

On motion of Sumner, the Senate proceeded to the consideration of the resolution to repeal the reciprocity treaty.

Howe, of Wis., took the floor in opposition to the repeal.

Morrill, of Me., advocated the appeal.

Hale, of N. H., argued against the repeal, stating that its advantages had been reciprocal. After a few remarks, he moved to refer the subject to the Committee on Finance.

Doolittle, of Wis., explained why he should vote for the resolution. The new revenue system of the Government demanded the abrogation of the treaty, and he had prepared an amendment that, instead of repealing, a commission be appointed to make a new treaty.

Further remarks on the subject were made by Conness, of Cal., Riddle, of Del., and Hendricks, of Ind. The two former in favor, and the latter against the repeal.

A motion to refer the subject to the Judiciary Committee was lost.

The ayes and noes were then called on the passage of the resolution which was adopted. Ayes, 31. Noes, 8.

In the House, Eliot, of Mass., introduced a substitute for the bill to reorganize the rebel States, providing that none of them shall be allowed to resume their political relations till the loyal citizens organize a government republican in form, and forever prohibiting involuntary servitude; and further providing that Louisiana shall resume her political relations under her constitution adopted in April, 1864. Ordered to be printed.

The House resumed the discussion of the professed Constitutional amendment.

Foreign News.

PORTLAND, Me., Jan. 11.—The *Nova Scotian*, from Liverpool, Dec. 29th, and Londonderry, Dec. 30, has arrived. Gen. Dix's order to pursue the rebel raiders into Canada attracted much attention. The leading English journals hope it will not be acted upon, as it might cause trouble. The papers generally discountenance the idea of being driven into unfriendly relations with the United States on account of raiders in Canada. The *Times* shows that the rebels could desire nothing better.

NEW YORK, Jan. 11.—The London *Times* says: If the United States Government is still advised

The *Times* [illegible] orders [illegible] Dix will be disapproved by the Washington authorities. It says [illegible] a [illegible] and [illegible] the [illegible] authorities [illegible] or [illegible] the discharge [illegible] raiders. Such doings are hastily [illegible] emulation.

The *Post* thinks the prompt [illegible] of the Canadian Government [illegible] more effectual [illegible] the raiders [illegible] South, and will [illegible] ample [illegible] for [illegible] New York.

The New York correspondent of the London *Times* [illegible] that [illegible] gave notice [illegible] of its [illegible] in regard to its armament on the lakes, and with the before [illegible] the [illegible] of the St. Lawrence and have as many [illegible] as it pleases, and that the British Government will find itself about the 15th of April with only one vessel [illegible].

The *Daily News* publishes a letter from Goldwin Smith asserting [illegible] the [illegible] of the [illegible] was entirely [illegible]. He defends the language of the American [illegible] the subject, as [illegible] high compliment [illegible] loyalty and determination of the American people.

The *Times* publishes a [illegible] Seward's [illegible] the Liverpool [illegible]. [illegible] Northern papers to disprove Seward's statement that prisoners are not [illegible] privations. He denies that the funds were [illegible] by those [illegible] the South, and says the movement was entirely carried out by Southern ladies in England, and that the refusal [illegible] practically affect the distribution of the fund.

The letter of Mr. Adams [illegible] Seward's refusal is published. [illegible] expresses regret that he has to [illegible] the correspondence.

The *Times* contrasts the frank [illegible] language of President Lincoln [illegible] with the proclamation of Gen. Dix and the resolution offered in the Federal Senate by Chandler. It says, in Congress we are charged with complicity in assassination and pillage while it commands and threatens our territory with invasion, but the Chief Magistrate of the Republic does justice both to Canada and England. We gladly receive his views as those which [illegible] will command [illegible] the Northern people. A war between America and England would be simply the most formidable [illegible] in behalf of the South which [illegible] could desire.

The *Times* specially recommends this point to the consideration of the Americans. It adds that it has been long surmised that the Confederacy has been rather allured than deterred by the prospect of an international complication arising out of their schemes. If, besides the plundery and plundering, these bands could fasten a powerful foe on the back of their enemy, it would be an enormous gain to them. Perhaps some of them are now looking to the St. Albans' raid and have a hope of this kind. It is much easier to disappoint than to please their game. The Federals may assure themselves that not even the capture of Nashville nor the defeat of Sherman would satisfy the South so much as a rupture with the country to which certain northern politicians are incessantly adverting. The *Post* advocates similar views.

The *Herald* says we must take care and give them no reasonable grounds of provocation, and that if war should commence, it may be their (Americans) fault only, not ours.

The *Star* believes the feeling in the United States about the release of the St. Albans raiders, would doubtless subside as soon as the course of the Canadian Government is known.

NEW YORK, Jan. 11.—The latest advices from Mexico state that Maximilian has issued a manifesto directing a revision by his ministry of the titles and claims under which ecclesiastical property has been for some time held, without declaring that it belongs to the State and that it is in the province of the Government to exercise superior control over it.

It appears that he opened negotiations with the Pope while in Rome on the subject, but to his great surprise finds that the Nuncio who has just arrived in Mexico is without instructions in the matter. He therefore boldly adopts his own policy, and it is said that it was received with great enthusiasm.

Proclamation.

STATE OF OREGON, EXECUTIVE DEPARTMENT, January 12th, 1865.

WHEREAS, I HAVE RECEIVED A REQUISITION from Major General Irwin McDowell, commanding the Department of the Pacific, acting under the authority of the War Department, for a Regiment of Cavalry for another term of years, by requiring in whole or in part the Regimental and Company organization of the present Oregon Regiment of Cavalry, to aid in the enforcement of the laws, to suppress insurrection and invasion and to chastise hostile Indians in this Military District.

Now, therefore, I, Addison C. Gibbs, Governor of the State of Oregon and Commander-in-Chief of the Militia thereof, do hereby call upon the citizens of this State to organize themselves into Companies sufficient to fill the foregoing requisition.

{L.S.} In witness whereof, I have hereunto set my hand and caused the Seal of the State of Oregon to be affixed. Done at Salem this 12th day of January, A. D. 1865. ADDISON C. GIBBS, *Governor of Oregon.*

Attest: SAMUEL E. MAY, *Secretary of State.*

Plan of Recruiting.

The Regiment will retain the name of the 1st Cavalry Oregon Volunteers. It will consist of twelve companies—seven Companies of the old Regiment will be recruited to the minimum strength required. Five new Companies remain to be raised. A Recruiting Officer for each new Company will be appointed.

Commissions will be issued by the Governor to Recruiting Officers, conditioned that they shall recruit their respective Companies in the District to which they are assigned, and be ready to be mustered into the service within a time hereafter to be named. All the Officers for the new Companies and the First and Second Lieutenants for the old ones will be appointed as soon as the Companies are filled.

As soon as it is practicable, the State will be divided into Districts, according to the number of persons in each liable to do military duty and to the number of troops heretofore furnished. When each District has furnished its quota of men there will be no draft in the same under this call.

The State has provided by law for the payment of a bounty of $150 in State interest-bearing bonds, payable in gold coin, to each volunteer mustered into the service for three years, in addition to the bounties authorized to be paid by the United States.

Under Act of Congress, those who enlist for one year are entitled to a bounty from the General Government of one hundred dollars; for two years, two hundred dollars; and for three years, three hundred dollars, one-third of which is payable at the time of muster-in. Neither drafted men nor substitutes (enlisted either before or after the draft—are entitled to bounty).

The wages of a Private soldier are $16 a month, besides clothing, subsistence, rations, medicine and medical attendance, and other allowances furnished by the United States.

The pay per month is to all Sergeants of Cavalry, $21; Sergeants, $20; Corporals, $18; Buglers, $16. A Company can be mustered in on recruiting a minimum of 82 enlisted men.

All the Horses for enlisted men will be furnished by the Government.

Appreciating highly the patriotic action of the people in responding to the previous calls for the Infantry Regiment, it is hoped that equal alacrity will be exhibited in raising a Regiment of Cavalry.

San Francisco [illegible]
New York [illegible]

NEW VESSELS FOR THE OREGON TRADE.—The new steamship *Del Norte*, recently launched at San Francisco, was built for Ben Holladay and is intended for the Oregon trade. She will take the place of some of the antiquated hulks we are now supporting. The *Del Norte* is [illegible] steamship [illegible] a being a very fine specimen of [illegible] constructed in the most [illegible] manner. There is considerable addition expected to be made during the next two years in [illegible] bound fleet. A line of fast [illegible] this port to be extended [illegible] the north and ultimately [illegible] other lines to ports in the Mexican [illegible] then [illegible] to Panama [illegible]. The increasing trade of the [illegible] invite such investments [illegible] the San Francisco [illegible] up to [illegible] this kind, it would not surprise us much [illegible] up some of the fine morning [illegible] all of our hulks had been sent [illegible] Russian Possessions [illegible] intercourse with California and their huge [illegible] a fleet of steamers [illegible] our demands, and [illegible] could have purchased [illegible] condemned [illegible] our own.

THE FERRY CASE.—The action of William H. Frush, on behalf of Multnomah county, against Joseph Knott [illegible] for running a ferry on the Willamette river at this city, which case, appealed to Circuit Court, was decided during the week. The substance of the decision was that James B. Stephens, under an act of the Territorial Legislature passed January [illegible] 1852, which was made exclusive [illegible] bears no limitation [illegible] Joseph Knott [illegible] license under the provisions of said act just as fully as if a license had been granted by the County Commissioners, and [illegible] covers the entire distance, two miles up and down the river which is mentioned in the charter, and the proof shows that the ferrying complained of is within those limits. The decision of Justice Gray is reversed, and that of Recorder McCoy in the same cause sustained, by the above.

A CASE OF MISPLACED CONFIDENCE.—Marshal Hoyt and Deputy Donahue had occasion yesterday to visit a domicil on Second street with a search warrant, for the procuring of some articles lately bestowed upon a female inmate by a young man who had virtually been jilted as her lover since the presents had been made. While officer Hoyt was making some inquiries concerning the matter the fickle but fair one rushed frantically at him, and her open gestures rendered it necessary for him to detail his assistant to keep her away while the search progressed. The young man who is a victim of misplaced confidence in this case has preferred a charge against the damsel who so inhumanly smashed his heart, and the question will be investigated before the Recorder this morning.

FIREMAN'S FUNERAL.—The remains of Morris Wolfe, late a member of Protection Engine Company No. 4, in this city, was buried yesterday afternoon. The funeral was fully attended by the members of No. 4, and by delegations from the other fire companies of the city. Every testimonial of respect was manifested. Flags were at half mast at the different Engine Houses and the fire alarm bells tolled forth a sad and solemn requiem for the departed brother. The procession moved towards the last resting place of the dead preceded by the mournful strains of a band playing a funeral dirge.

CIRCUIT COURT.—The Circuit Court for Multnomah county, Judge Shattuck presiding, has been in session for five days past, at the Court House in this city. Little of importance has occurred for us to remark about, the business being arguments and motions in cases submitted for decision. To day the partition suit, in the matter of the estate of Mrs Lownsdale, with some seventy or more defendants, will come up for trial.

STREET IMPROVEMENTS.—During the last few days our worthy Street Commissioner has effected quite an improvement upon Front street by having all the surface mud scraped off and hauled away, thereby materially helping that part which is planked, and revealing to the wondering eyes of many, who never knew it before, that portions of the street were paved with cobble stones. Washington, and other cross streets, are to be the next scene of his operations.

SWISS BELL RINGERS.—We have barely space to mention the arrival, per steamship *Pacific* last evening, of the troupe composing the Blaisdell Brothers' Champanologians, Swiss Bell Ringers, who are to delight Portland audiences at Willamette Theatre for a few evenings commencing on Monday evening next. Mr Hayward is with them. See advertisement.

FIREMAN'S BALL.—This afternoon No. 3's Engine will be housed in its new home and there will be quite a turn out of Fire Companies in honor of the occasion. On Monday evening a Fireman's ball will be given in the new Engine House, and we are confident it will prove an interesting affair.

AUCTION.—Mr Richardson has received a large invoice of choice engravings for sale on Wednesday next at Auction. They will be enumerated by advertisement on Monday. The regular sale to day comprises an assortment of furniture etc.

OREGON BAKERY.—By reference to advertisement it will be seen that the Oregon Bakery—so lately "done brown" by fire—is again in full operation. The worthy proprietors are alive to business, and deserve success.

WILLAMETTE THEATRE.—This evening Mr J. S. Potter takes a grand benefit tendered him by the company and on which occasion Mrs Hayne will appear. This will close the season.

RECORDER'S COURT.—John White and Thomas Watson were each fined $40 and costs in Recorder's Court yesterday for violent and disorderly conduct. In default they were each committed.

TURN VEREIN.—An adjourned meeting of the Portland Turn Verein will be held at their Hall on Sunday the 15th inst., at 11 A. M. I. WEIL, Secretary.

RELIGIOUS.—There will be preaching in the Baptist Church to morrow morning at the usual hour.

DEFERRED.—In consequence of a press upon our columns this morning several items of interest are deferred.

The Christmas tree exhibition of the Sabbath School children at Walla Walla at the Masonic Hall is said to have been largely attended and a very interesting affair.

WEEKLY COMMERCIAL REVIEW.

PORTLAND, January 13th, 1865.

There appears not to be much doing in the produce market to-day, and for the period under review nothing of importance has transpired.

Large amounts of wheat and oats have been received per river steamers on contract from the interior, which has been forwarded to San Francisco direct, Messrs. Richards & McCraken and J. F. Beebe & Co. being the principal consignees in the shipping the cargo of the bark *Industry*, the only vessel that has cleared the present week.

The following are prices offered for domestic produce by the city dealers to-day:

FLOUR—Imperial $10 ⅌ bbl.; Standard Mills $10; other brands, $9@$9 25.

GRAIN—Wheat $1 40@$1 45 ⅌ bush; Oats 70c.; Barley 2½@2¾c ⅌ lb.

BEANS—Small White 3½c; White Pea 4c; Red 2c.

APPLES—Ranging from $1 25 to $1 75 ⅌ bush.

EGGS—Per doz. 35@37½c for fresh.

BUTTER—Best brands fresh Oregon 50c ⅌ lb.; ordinary 30c to 37½c.

BACON—Sides 15c; hams 17c; and 18c.

POULTRY AND GAME—Ducks (Mallard) by the quantity $2 25@$2 50 ⅌ doz.; Geese according to quality 3 50@$4. Chickens $3@$3 50.

POTATOES—Best quality Kidneys $1 25 ⅌ bush.; other varieties $1@$1 15.

HAY—Sales noted at from $20 to $23 ⅌ ton.

Wholesale Prices.

PORTLAND, January 13th, 1865.

Wholesale trade is usually quiet with us at the present season of the year, but particularly appears to be dull just now. There never was a better prospect of an abundant trade, however, than what is indicated for the present year. With a knowledge of the growing importance of the interior trade and business of the upper Columbia region, our dealers are beginning to assume more of the direct importations from eastern manufactories and England, and the time will shortly come when we shall have merchant ships in our ports from those parts of the world.

Victoria is a free port, and offers some inducements for our merchants. The people there are reaping the advantages of the free port system, we judge, by the number of ships and value of cargoes already there, and on the way there, which more than doubly exceeds the number ever announced before.

When we turn to our export and import trade with Victoria for the year ending December 31st 1864, we find there is an excess in our favor of $104,760. Our importations falling short of our exports to that amount. This state of things is mainly owing to a lack of American vessels in the trade, and the fact that Portland is not a Port of Entry for foreign crafts. The following statistical table exhibits our trade with Victoria the past year:

WE HAVE ON HAND A QUANTITY OF TIMOTHY and WILD HAY, Also OAT STRAW in Bales, for sale by D. W. WILLIAMS & CO.

Dec. 31, 1864.—dtf 130 Front St., Portland.

From the army hospital—the bloody battle-field—the mansion of the rich and humble abode of the poor—from the office and the sacred desk—from the mountain tops, distant valleys, and far-off islands of the ocean—from every nook and corner of the civilized world—is pouring in the evidence of the astonishing effects of DRAKE'S PLANTATION BITTERS. Thousands and thousands of letters like the following may be seen at our office:

ALEXANDRIA, Wis., Sept. 10, 1864.

* * I have been in the army hospitals for fourteen months—speechless and nearly dead. At Alton, Ill. they gave me a bottle of Plantation Bitters. * * Three bottles restored my speech and cured me. * *

C. A. FLARTE."

SOUTH WARSAW, O., July 28, 1863.

* * One young man, who had been sick and not out of the house for two years with Scrofula and Erysipelas, after paying the doctors over $150 without benefit, has been cured by ten bottles of your Bitters. * *

EDWARD WORNALL."

The following is from the manager of the Union Home School for the Children of Volunteers:

HAVEMEYER MANSION, FIFTY-SEVENTH ST.,
New York, August 2, 1863.

DR. DRAKE: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs, with most happy effect. One little girl, in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well. * * Respectfully,

MRS. O. M. DEVOE."

* * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER, Madrid, N. Y."

* * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use. Thy friend,

ASA CURRIN, Philadelphia, Pa."

* * I have been a great sufferer from dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN, Rochester, N. Y."

* * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which is daily increasing with the guests of our house.

SYKES, CHADWICK & CO.,
Proprietors Willard's Hotel, Washington, D. C."

* * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. ANDREWS,
Superintendent Soldiers Home, Cincinnati, O."

* * The Plantation Bitters have cured me of a liver complaint, of which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY, Cleveland, O."

* * The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE, 254 Broadway, N. Y.

etc. etc. etc. etc. etc.

The Plantation Bitters make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya Bark, Wintergreen, Sassafras, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.

S. T.—1860.—X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities, and are warranted to produce an *immediate* beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.

NOTICE.—Any person pretending to sell Plantation Bitters in bulk or by the gallon, is a swindler and impostor. It is put up only in our patent log cabin bottle. Beware of bottles refilled with imitation deleterious stuff, for which several persons are already in prison. See that every bottle has our private United States Stamp over the cork unmutilated, and signature on steel plate side label.

Sold by respectable dealers throughout the habitable globe.

"CONSTITUTION WATER,"

THE ONLY REMEDY FOR DISEASES OF THE

BLADDER, KIDNEYS,

Gravel, Dropsical Swellings,

GENITAL DEBILITY, ETC.

THE ASTONISHING SUCCESS WHICH HAS ATtended this invaluable medicine renders it the most valuable one ever discovered. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions in the debilitated and shattered system. In fact, it stands unrivalled as a remedy for the permanent cure of the maladies above mentioned, and also—

DIABETES, IMPOTENCY,
LOSS OF MUSCULAR ENERGY,
PHYSICAL PROSTRATION,
INDIGESTION,
SEMINAL WEAKNESS,
GLEET, FLUOR ALBUS.

And in every disease any way connected with the disorder or decay of the PROCREATIVE FUNCTIONS. Persons about to marry, if conscious of any weakness, should take the

CONSTITUTION WATER,

Whether broken down by excess, weak by nature, or impaired by sickness, the unstrung and relaxed organization is at once rebraced, revivified and built up. Well, buy this celebrated medicine be called the

PERUVIAN SYRUP,

OR PROTECTED

Solution of Protoxide of Iron,

Has been used with Great Success in Curing

DYSPEPSIA,

Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered State of the Blood, Female Complaints, Chronic Diarrhœa, Debility, Nervousness, the Prostrating effects of Lead or Mercury,

GENERAL DEBILITY,

and all Diseases which require a

Tonic and Alterative Medicine.

THE PROOFS OF ITS EFFICACY ARE SO NUMERous, so well authenticated, and of such peculiar character, that sufferers cannot reasonably hesitate to receive the proffered aid.

The class of diseases for which the Syrup provides a cure, is precisely that which has so often baffled the highest order of medical skill. The facts are tangible, the witnesses accessible, and the safety and efficacy of the Syrup incontrovertible.

From well-known Citizens of Boston.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.

Certificate of Dr. Hayes.

It is well-known that the Medicinal effect of Protoxide of Iron is lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further oxidation, has been deemed impossible.

In the Peruvian Syrup, this desirable point is attained by combination IN A WAY BEFORE UNKNOWN; and this solution may replace all the proto-carbonates, citrates and tartrates, of the Materia Medica. A. A. HAYES, M. D.

IODINE WATER.

IODINE WATER IS THE MOST IMPORTANT DIScovery of modern chemistry, and it is impossible to over-estimate its influence as a remedial agent. Iodine has been considered the most useful article in Materia Medica, and many of the most scientific and practical chemists and physicians have investigated its effects upon the human system. It is to act upon the

HEART,
LIVER, KIDNEYS,
DIGESTIVE ORGANS and GLANDULAR SYSTEM,

and to have great control over

SCROFULOUS AFFECTIONS.

Notwithstanding the zeal and ability which have been devoted to its investigation, it remained almost useless, until Dr. Henry Anders, a physician and chemist of New York, after years of patient labor and experiment, discovered a chemical process which enabled him to dissolve

PURE IODINE IN PURE WATER.

without a solvent. This, considered impossible by the scientific world, is attested by certificates of analysis from Dr. J. R. Chilton of this city, and Prof. Booth, U. S. Mint, Philadelphia. The importance of this discovery was so highly appreciated by the Faculty that it was published in the Medical Journals, and its use recommended to practitioners (see "American Medical Monthly," July 6, 1856, page 66.)

This valuable medicine is now available to the public for the cure of Scrofula in all its manifold forms, Consumption, Cancer, Heart, Liver and Kidney Diseases, Rheumatism, Neuralgia, Nervous Affections, Dyspepsia, Bronchitis, etc.

AS A TONIC

Its operation is evinced by strengthening the digestive organs and increased nutrition to the body is the result of the employment of Iodine. The patient recovers flesh, strength and color, hitherto pale, relaxed and feeble, he becomes full, strong and florid.

Full directions accompany each bottle.

ALLEN'S

LUNG BALSAM!

The Remedy for Curing

CONSUMPTION, COUGHS, COLDS,

Asthma, Croup,

Diseases of the Throat, Bronchitis, Pains and Oppression of the Chest and Lungs, Difficult Breathing and all the Diseases of the Pulmonary Organs.

ITS ACTION IS EXPECTORANT, ALTERATIVE, SUDORIFIC, SEDATIVE, DIAPHORETIC AND DIURETIC, which renders it one of the most valuable remedies known for curing diseases of the lungs. It excites expectoration, and causes the lungs to throw off the phlegm or mucus; CHANGES THE SECRETIONS AND PURIFIES THE BLOOD; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect, that it is WARRANTED TO BREAK UP THE MOST DISTRESSING COUGH IN A FEW HOURS' TIME, if not of too long standing. IT IS WARRANTED to give entire satisfaction even in the MOST CONFIRMED CASES OF CONSUMPTION. IT IS WARRANTED NOT to produce costiveness (which is the case with most remedies) or affect the head, as it contains no Opium in any form. IT IS WARRANTED TO BE PERFECTLY HARMLESS to the most delicate child, although it is an active and powerful remedy for restoring the system. THERE IS NO REAL NECESSITY FOR SO MANY DEATHS BY CONSUMPTION, when ALLEN'S LUNG BALSAM will prevent it, if only taken in time.

Sold by all Druggists. Price $1 per bottle.
